

# GS5 Waist-Clip Turbo Fan

## B2B Sourcing Spec Sheet

10,000 mAh • 13,000 rpm copper brushless motor • 5-speed • Shenzhen factory direct

Audience: channel distributors, private-label brands, importers

Shenzhen Speed Cooling Technology Co., Ltd.

Revision 2026-06 • For sourcing review only

01 Overview • 02 Technical Spec • 03 Colors & Wear • 04 Packaging & Logistics • 05 Commercial Terms • 06 Compliance & C

01

## Product Overview

GS5 is a 10,000 mAh wearable turbo fan built for hot-site work, outdoor crews, and delivery riders. Hands stay free all shift. Motor, injection molding, PCBA and assembly are all in-house at our Shenzhen factory.

### Recommended Channels

- Industrial safety & PPE distributors
- Delivery / warehousing / logistics fleets
- Restaurant back-of-house & catering
- Outdoor sports, fishing, golf retail
- Government / sanitation public tenders
- Corporate summer gifting / wellness
- Event production support
- Promotional gifts (auto, insurance, real estate)

### Core Selling Points

- 10,000 mAh polymer cell, 1.5 – 5 h runtime
- 13,000 rpm copper brushless motor, 7.2 m/s output
- 5-speed control + LCD battery & speed readout
- Built-in LED light (double-tap power button)
- Glass-fiber PBT clip, fits belts up to 50mm
- USB Type-C fast charge, ~4 h full
- 300 g lightweight, PBT heat & oil resistant
- Operating range 0 – 40°C, industrial-grade

## 02 GS5 Technical Specification

Model	GS5
Form factor	Cylindrical body + diamond intake + flat-back PBT clip
Dimensions	98 × 50 × 72 mm
Net weight	300 g
Battery	10,000 mAh / 3.7 V polymer (Grade A cells)
Input	5V / 2A, USB Type-C
Charge time	~ 4 hours
Motor	13,000 rpm copper brushless
Airflow	7.2 m/s (turbo) / 3.5 m/s (level 1)
Speeds	5-speed cyclic switching
Runtime	L1 ~5h / L3 ~3h / Turbo ~1.5h
Display	Segment LCD — battery % + speed level
Lighting	Built-in LED, double-tap power button
Op temp	0°C ~ 40°C
Wear	PBT clip + neck lanyard + desk stand
Cycle life	500+ cycles maintaining 80% capacity

## 03 Colors & Wear

All three colors share the same electronics and battery — mix in one container. All in-stock colors ship from MOQ 10.

Black

In-stock — top seller for retail channels

Gray

In-stock — popular for corporate gifting

Army Green

In-stock — preferred by outdoor brands

### Three Wear Modes

- Waist: PBT clip on belt (up to 50mm)
- Neck: included lanyard, chest-hung
- Desk: flat base, personal desk fan

## 04 Packaging & Logistics

### Retail Color Box

Color box	4-color offset print, generic or custom artwork
Contents	1 × fan + 1 × 50cm USB-C cable + 1 × lanyard + multilingual manual
Box size	~ 106 × 69 × 96 mm
Unit weight	~ 0.45 kg (with packaging)

### Master Carton & Container

Pieces / carton	40 pcs
Carton size	~ 455 × 205 × 375 mm
Carton gross wt	~ 12 kg
Carton volume	~ 0.035 m <sup>3</sup>
20'GP container	~ 14,000 pcs
40'HQ container	~ 32,000 pcs
Port	Shenzhen / Yantian (FOB)
Air freight	OK — UN38.3 + MSDS provided

## 05 Order Tiers

方案	MOQ	交期	客製範圍
Stock Sample	MOQ 10	5 – 7 d	EXW, no customization, 3 stock colors
White Label	MOQ 500	12 – 15 d	Logo print on body (silkscreen / laser) + box
Custom Box	MOQ 1000	15 d	Custom retail box artwork (4-color offset)
Custom Body Color	MOQ 5000	30 d	Custom Pantone body color (~USD 150 setup)
FOB Bulk	MOQ 3000	~20 – 60 d	FOB Shenzhen/Yantian, better unit price at scale
ODM Tooling	MOQ 10,000	50 – 90 d	Custom body shape / electronics / mold
